Exam Preparation

Exam preparation tips:	For all written activities of Component 3 (1, 2 and 4) you may bring your own prepared notes into the supervised assessment period. The information can contain brief bullet points or mind maps of ideas to be covered but must not include fully-formed sentences or phrases that could be used directly in your response. The notes must not exceed four sides of A4 in total. These must be hard copies and can be either handwritten or word processed. Make sure these are fully prepared before the supervision period.
